

ProNet provides our partner suppliers with easy access to technical information, including CAD drawings and Application Bulletins, not publicly available. Access to this information is restricted because it is confidential, complex and subject to change. Access is limited to the following categories:

- Naval Architects
- Marine Engineers
- Shipyards
- OEMs
- Dealers
- Suppliers

To obtain access please complete the following steps.

Step 1.

All delivery partners requesting access must have a signed Customer Confidentiality Agreement in place.

- If you do not already have a copy, download a copy using the following link: https://gce.cummins.com/confidentiality_customer.doc
- Attach a copy of your signed Customer Confidentiality Agreement to this document; this must be submitted with your request.

Step 2.

Please complete the below information and submit to your Cummins sponsor to be granted access to GCE Marine. (Add additional lines as needed)

Full Name	Title	Company Name	Email Address ¹	Cummins User ID ²

¹ Email addresses are required to be company-provided and managed. The use of "generic" email addresses, such as @gmail, @yahoo, @hotmail, etc., is not allowed.

² If a user does not already have a Cummins user ID, register for one using the following link: <a href="https://userreg-prd.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp?action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp.action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp.action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp.action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp.action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp.action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp.action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp.action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp.action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp.action=add&lang=en&fwdURL=http://gce.cummins.com/userreg/controller.jsp.action=add&lan
